ABOUT US

The Murtala Muhammed Foundation (MMF) is a distinguished non-governmental organization inspired by the legacy of Murtala Muhammed, former Nigerian head of state. Committed to public service and humanitarian work, MMF focuses on education, women's empowerment, disaster relief, and annual lectures influencing national policies. Together, we advance Africa's social, economic, and political development.

Mission Statement

Our mission is to harness the life-changing potential of technology to build the capacity of the most marginalized communities across Africa.

Vision Statement

To be an institution that transcends all boundaries, and is dedicated to the socio-economic development of Africa.

2 Million
Empowered Women**

**Supported digital
literacy skills
acquisition for 9000
women**

**Capacity
Building**

**600 women
mentored through
WIDEAA**

WOMEN EMPOWERMENT PROGRAM

Our mission is clear: To drive economic empowerment and promote gender equality globally.

Join us on this journey to break barriers, enable women's choices, and foster self-reliance for a brighter future in Africa.

Our History

- The inaugural edition of the program occurred in Namibia in October 2013.
- Involved 26 participants in strategic meetings with key figures.
- The focus was on achieving the program's goals.
- Participants engaged with figures such as Namibia's Founding Father, Dr. Sam Nujoma, Governor Cleophas Mutjavikua, Minister Rosalia Nghidinwa, and Nigerian Ambassador Biodun Olorunfemi, ensuring the realization of program objectives.

Program Goal

- The program aims to empower women by increasing their access to resources, benefiting children and societal development.
- It supports Afrocentric trade and grassroots networking for socio-economic growth.
- Key objectives include breaking barriers to women's business success, achieving Africa's economic independence, promoting intra-African trade, and facilitating networking and partnerships for women.

EXPECTED OUTCOMES

- Established trading relationships
- Increased business transactions
- Greater representation of women in business
- Sustainable enterprises
- Increased cross-border mobility
- Enhanced business networks
- Acceptance of Afrocentric goods
- Reduced gender discrimination.

Target Sectors

1. Agriculture
2. Fashion & Style
3. Arts and Crafts
4. Mining & Manufacturing
5. Education
6. Health & Hospitality
7. Oil and Gas
8. Tourism & Hotel Management
9. Banking, Microfinance, and Cooperative Societies.

WOMEN'S POWER LUNCH

- The Women in Development Enterprise Across Africa (WIDE Africa) employs various channels to engage women, one of which is the Women's Power Lunch.
- This annual event was spearheaded by Mrs. Aisha Muhammed-Oyebode (MMF CEO).
- It draws women leaders and influencers from diverse backgrounds, including government, private sector, civil society, academia, media, and the arts.
- The gathering provides a platform for cross-generational networking, dialogue and empowerment.

Testimonials

“The conference has provided the opportunity for me to see the windows of opportunities that my organization can key in by exporting the products of our farmers.”

-Davina Okwa David

“Every event was a learning curve.”

-Arinola Adeniyi

“This visit will add value to my present business.
I can brand my products for exports thereby expanding the market.”

- Rose Ugo Bassey.

“Based on this programme, I realized that I can do some business in fashion coupled with my Agric background and in exchange of some agricultural produces.”

-Balogun Justina

CHERIE BLAIR WOMEN FOUNDATION MENTORSHIP PROGRAM

- May 2013 till date: The Murtala Muhammed Foundation & The Cherie Blair Foundation U.K have collaborated to offer a year-long mentorship program specifically designed for female entrepreneurs in Nigeria.
- Provides support to women entrepreneurs in emerging markets.
- Over 400 women beneficiaries
- Has fostered growth in their businesses and social enterprises, whilst driving positive change in their respective industries.

Breaking the Glass Ceiling (BGC) Awards

- Aims to recognize corporations and government entities in Nigeria for their exceptional contributions to women's empowerment and reducing gender inequality in leadership positions.
- The awards recognize the importance of human capital development in organizational and national growth, promoting inclusivity by acknowledging initiatives that enhance the utilization of a country's human capital in the public and private sectors.
- The awards offer State-Level and Corporate-Level categories.

Chibok Girls Education Program

- Chibok Girls Rehabilitation and Community Reintegration Program
- Created as a response to the 2014 kidnapping of more than 200 high school girls by Boko Haram in Chibok.
- The initiative concentrates on education and strives to facilitate psychological healing, academic progress, proficiency acquisition, community reintegration, and socioeconomic empowerment for the rescued girls.
- The program seeks to restore livelihoods by prioritizing education as a fundamental component of the rehabilitation and progress mechanism.
